## Direct Debit Request Service Agreement

This Direct Debit Request ('DDR') Service Agreement is issued by Westpac Banking Corporation to help you understand your rights and responsibilities when making automatic credit card repayments by direct debit ('drawing arrangements').

### Our Commitment To You

- We will give you at least fourteen (14) days notice in writing of any changes to the terms of the drawing arrangements;
- We will keep all information relating to your financial institution account ('the nominated account') confidential, except where required for the purposes of conducting direct debits with your financial institution or in connection with claims made on us relating to an alleged incorrect debit;
- If you have made a payment onto your card that places your card into credit or results in a zero balance at the direct debit due date, no direct debit transaction will take place. If, however, you make an additional payment into your card account, that still leaves a debit balance on your card at the direct debit due date, your drawing arrangements for the month may change, so that your account does not go into credit.

### Your Commitment To Us

- Please ensure that your nominated account can accept direct debits. If you are uncertain about this please check with the financial institution where your account is held;
- Check your nominated account details against a recent statement before completing the Direct Debit Request;
- Please ensure that there are sufficient cleared funds available in the nominated account to meet each drawing on the due date. We may cancel this Direct Debit Request (amongst other reasons) if you do not have enough cleared funds available in your nominated account after two consecutive attempts;
- You need to let us know as soon as possible if the nominated account is transferred or closed, or your account details change;
- If your direct debit arrangements are cancelled for any reason, you need to arrange an alternative method of making your repayments;
- Please ensure that the Direct Debit Request form is signed in accordance with the signing authority for the account to be debited.

### Can You Change The Direct Debit Arrangements?

- Any changes that you would like to make are subject to the Conditions of Use of your card account(s) and the terms and conditions of your nominated account;
- You need to give us seven (7) business days notice before the opening date that will appear on your next statement (i.e. the date in the box below "**Statement From**") for altering the repayment amount or repayment cycle;
- You need to give us seven (7) business days notice before the direct debit due date to change the account details from which the funds are being drawn from;
- You need to give us two (2) business days notice before the direct debit due date for either of the following:
  - Stopping an individual drawing;
  - Cancelling the drawings completely
- If you consider that a direct debit repayment has been initiated incorrectly, or if you don't understand any aspect of the direct debit procedure, you should contact us on 1300 651 089;
- You may also stop an individual payment or cancel your Direct Debit Request by contacting the financial institution where your nominated account is held.

### Other Information

- If your due date for a drawing from your nominated account falls on a weekend or a National Public Holiday, we will automatically debit your nominated account on the next business day. If you are uncertain as to when a debit will be processed from your nominated account, please check with the financial institution where your account is held;
- If your financial institution cannot withdraw the nominated amount from your account (for example there's not enough money in your account) it may dishonour the withdrawal. Please check the terms and conditions of your nominated account to see whether dishonour fees apply.
